CONSIDERING AUTOMATING YOUR BUSINESS WITH CrudoImage?

www.crudoimage.com

Pre-Requisites

Project Manager From your Company Side

For Everyday Communication

To Initiate a Change Request

Include at least one executive member in the team.

We Provide some confidential information directly to the board member.

We require a minimum of 150 days for the Go-Live process.

We have elaborated on the breakdown of the timeframe above.

Before we begin, it's essential to outline all the pain points.

The more detailed the explanation, the more effectively we can enhance the system's development.
